

Praying for...

The impact of The Jesus Film

JESUS, also called THE JESUS FILM, was produced in 1978, in response to the long-held dream of Bill Bright, founder of Campus Crusade for Christ (CCCI). Today, the film continues to be produced in many more languages, thanks to partnerships between Campus Crusade, Wycliffe Bible Translators, SIL International, The Seed Company and many other mission agencies and churches. Praise God for these partnerships.

Pray...

- *The script of the film is The Gospel of Luke. Praise God that 944 film translations have been completed so far. Pray for production teams working to translate the film into still more languages. They work with this tension: a desire to work quickly vs. the time required for accuracy.*
- *When dubbing the newly translated script into THE JESUS FILM, care is taken to synch as precisely as possible the new dialogue spoken by the voice actors with the mouth movements of the English-speaking actors in the film. It makes it seem that the actors sound as well as look like they are speaking the viewers' language. Pray for this aspect of production that requires extreme attentiveness.*
- *To date, about 5.5 billion people have viewed the film. Pray for funds for new translations; for 600 more sets of 16mm equipment for Africa; and for mailing the film in DVD,VCD (video compact disks) and audiocassette formats to Asia and worldwide.*
- *The film may be shown in improvised outdoor settings. Pray for the success of the actual physical setup, location, times for showings, and for a minimum of distractions.*
- *Pray for smooth-functioning of equipment. Pray that weather conditions will not harm it.*
- *In excess of 200 million decisions for Christ have been reported so far. Pray that new believers will receive the follow-up support they need to continue in Him. Jesus said, "Still other seed fell on good soil. It came up and yielded a crop, a hundred times more than was sown." Luke 8:1*
